For Phone Conference
March 16, 2020

The phone conference started at 7:30 PM.

Discussion of Governor's Mandate:

Governor Rickett's has prohibited any group of more than 10 people from gathering. The Ministry Council had determined at the meeting of March 12th, that Messiah would continue to remain open until a governing body deemed that large groups could not gather. The phone conference is being held to discuss what this means for the congregation and the Messiah staff.

At this time the building will remain closed for all worship and ministry events as well as all member and community group events held in our building for at least 8 weeks. The office will remain open with its regular hours with Pastor, Jean, Erin and Ron.

Motion by Quinn to pay salaried staff per the current pay policy for the next 60 days and to re-evaluate at that time. Seconded by Kurt. The motion passed.

Motion by Scott to pay the hourly employees for the hourly services rendered. Seconded by Jim. The motion passed.

Scott made a motion to adjourn the phone conference. Quinn seconded. The motion passed. Phone conference adjourned at 8:38 PM.

Respectfully submitted,

Eileen Cutler, Secretary
